
HARLEQUIN

Bedded, or Wedded?

Yuko Ichiju

Original Text by Julia James

Big bro
I plan to marry her
She's literally the woman of my dreams

How lovely.
Not really.
I just got an e-mail. My brother is getting married.
What's wrong, Xavier?
Even if you don't think she is the ideal bride, I don't care.
I love her
"Love" is ridiculous
That's all we need

And made him pay a fortune,
Only recently, some women conned him,
For a sick grand-mother that didn't exist.
My brother Armand
Is too kind and gets lost in his emotions.
Surveillance department? I need your help..
I'll check out this woman myself!

I'm so sorry
Watch what you're doing!
Ah!

I'm really sorry.
You're screwing up today.
Come on, Lissa.
I keep spacing out
I'm just so tired
How long do I have to live like this?
Hi, there.
Customers! Go!

Look!
I need to do this to earn money
But I think I've reached my limit.

A high-class customer. We don't get many of those here
So handsome!
Will you dance with me, miss?
Nothing to do with me though
Scream
Scream

What?
Why Lissa?
Hey!
What's your name?
L. Lissa.
I'll remember that.

But I feel like I can't breathe when I'm with him.
I'm used to men staring at me
23 noir.
To make him play as many chips as possible
Want to try the roulette?
My job is to make him spend money
You're lucky tonight.
Wow!

Oh
I have a meeting in the morning.
He's going to leave me ..
I must leave.
Oh. Already?

I can't believe Armand wants to marry such a vulgar woman
That I set up and Armand manages
Because of the high-class brand Xzel

So what's so special about that cheap hostess?

As many pretty girls as we want

There are plenty of women who want us

They embraced and he went to Xzal's London office

According to the investigation Armand came out of her flat

I won't let her do that to my brother

These types of women use men as stepping stones to their own ends

How did she seduce Armand?

I will expose that woman!
Before Armand gets back from America
What am I thinking?
Swish
I don't have any time for a man
Even if he was my customer
No matter how attracted I was to him
It doesn't matter

It's okay. The bus stop is just over there.
I can't get into a stranger's car at this time of night.
Ha!
I won't hurt you.

Xavier Laurent. Xzel
What's Xzel?
Sounds like you'd have no interest, but it's a fashion brand.
So, will you let me drive you?
Okay
Can you drive me to Trafalgar Square?

You think all hostesses are dumb?

I didn't think a woman like you could speak French.
Yes, a little.
Can you speak French?

Um
Then,
Why is a clever girl like you working there?
Well, why did a gentleman like you,
come to a casino like that, then?
I said I'll take you.
Let me off. I'll get the bus.

I can't believe
I thought she'd be happy to take up an invitation from a rich man like me
Her reaction was not what I expected

She's beautiful...
For hours...
I could watch her
What's happening to me?
She is my brother's girlfriend...
And she is an evil woman,
Who tricks men for her gain

Thank you for the lift.
I'm sorry! I...

A rich Frenchman requested you
Go to the Soho Hotel.
Can't you say no?
He paid a lot of money. If you don't go, you're fired.
He wants to buy me
What a man!
I'm not a prostitute
I don't care if I'm fired I'm not going
Soho is this way.

Xavier Laurent!
Let go of me, you pervert!
Wait.
Do you think I'm stupid? I know what it means when you pay me to go to your hotel.
I just wanted to have dinner with you.

I just wanted to see you again.
You're wrong.
Look in the mirror.
Without wearing makeup.
Why
So I asked the cosmo to send you.
I didn't know when you had a day off,
Then you'll see why I want to see you again.

What am I doing?
Get in.
Yes.
It's ...
Really just dinner?
I know that I shouldn t get involved with this man
I need to be careful ...
I can feel my sensible self shrinking away
My heart beats faster and faster

The restaurant has a dress code.
I'll pay.
I don't have money.

All right. I don t like the idea of a man buying something for me, but.

You look lovely, Lissa.

It's like a dream.
I'm in such luxurious surroundings.
To meeting again.
Why is it so good?
Delicious! So different from the one at the casino.
Having dinner with such a handsome man
The grapes, weather
Many reasons.

Xavier's sweet voice and the champagne
And the vintner has a good nose.
Are casting a spell on me
He is penetrating every part of me
My sense of reason has melted away
I can't even breathe.

See him now

Saving herself for Armand?
She said I can t." Not "I won t."

Then why did she look at me like that?

Then does Lissa love Armand?
I don't understand... I don't get it!
But him?
I want her!
This isn't about Armand's marriage anymore
But I can't do anything about this feeling!

He might be attractive.
I deserve this for getting too excited
Who buy hostesses for their own pleasure.
But he's no different than other men.
Xavier...

I'm sorry I was a fool.
Let me apologize.
Wait.
I really only wanted dinner with you
But I was so shocked at your beauty in that dress
I thought you felt the same.
I'm sorry to have insulted you
Lissa. You are beautiful.
Even if you are taken, I still feel the same.

But I want you to dress up for me while you're here.

Because he did give us money for the operation.

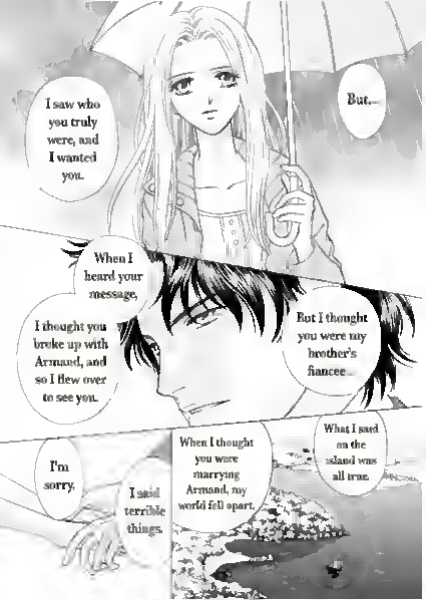
But you said I would have some excuse lined up.
Why didn't you defend yourself?
We were together for 2 weeks. Why didn't you tell me the truth?
If I knew it was for the operation, I wouldn't have cared!
You lied to me about the reason you approached me, too!

Armand has been tricked so many times.
I didn't mean to.
I wanted to know who he was marrying.
And threw me out as if I was dirty!
Even if you didn't know the truth,
It still doesn't change the reason you approached me.
Sob

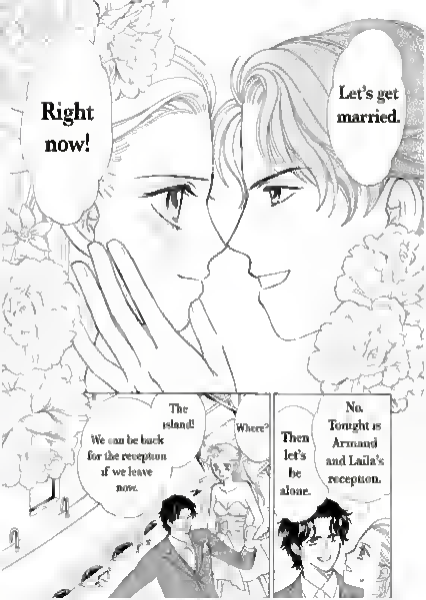
Then,
How about this truth?
That—
Was to protect Armand, too.
I did go to the casino to check you out.



I saw who you truly were, and I wanted you.
But...
When I heard your message,
I thought you broke up with Armand, and so I flew over to see you.
But I thought you were my brother's fiancee...
I'm sorry.
I said terrible things.
When I thought you were marrying Armand, my world fell apart.
What I said on the island was all true.

Le cœur a ses raisons,
Que la raison ne connaît point.
A quote from Pascal.
"The heart has its reasons which reason does not know."
I should have realized this much earlier.
My heart is yours.

I tried to hate you.
The 2 weeks I spent with you...
Were the most wonderful I have ever had.
But I would have had to lie to myself.
Oh ...
My sweet girl.



Let's get married.
Right now!
No. Tonight is Armand and Laila's reception.
Then let's be alone.
Where?
The island! We can be back for the reception if we leave now.

All I want is you.
Or do you want to go somewhere else?

Wherever I am.
